

Loon Echo Land Trust 10th Annual Hike n' Bike Trek

Pledge Form Instructions

Share the reasons why Loon Echo Land Trust's work is important to you with your friends and family - ask them to support you by pledging dollars towards the completion of your trek.

Ready to begin?

Follow these instructions and use the attached Pledge Form to start collecting pledges, and bring your pledges and the form with you on the day of the event. You can also collect pledges on-line at <http://www.active.com/donate/2010LELTTrek> .

Here are some facts to get you started:

- Loon Echo protects more than 3,750 acres of conservation land, including forests, mountains, trails and waterfront land in seven towns in Maine.
- Loon Echo sponsors monthly guided hikes for the public on their lands and trails.
- The Sebago Lake watershed and its dense forest cover provides nearly 10% of the state's population (Greater Portland) with clean, safe drinking water.

Or, you can use the following script when asking friends and family to support your trek and Loon Echo's work:

"Funds raised by Trekkers at the 10th Annual Hike n' Bike Trek will help to conserve land in the northern Sebago Lake region.

Think about the fresh air, the colorful fall foliage, the deep forests, and the sparkling lakes - whatever it is that you love about the Maine outdoors, Loon Echo Land Trust is working to protect for current and future generations.

Last year Loon Echo and the Hike n' Bike Trekkers raised more than \$26,800 - that's almost 20% of their total budget - and by far their biggest fundraiser! Your pledge of support, no matter how small, will make a difference. Thank you."

Good Luck Trekkers - see you September 18, 2010!

Win a weekend at the Migis Lodge or a European walking or bicycling vacation!
Visit www.lelt.org to learn more about this year's prizes.
